USB-C port/cable support PD20W | 10000mAh

POWER MAGNETIC Q10L

Magnetic Wireless Charging Power Bank

15W max wireless charging | USB-C port/ cable support PD20W
built-in cable also can be a portable strap | 10000mAh

NanoCharge Q10 Pro IV

Magnetic Wireless Charging Power Bank

Equipped with Samsung batteries | 15W wireless charging
USB-C port/ cable supports 45W charging
Support Apple watch series

The Q10 Pro IV is a magnetic wireless charging power bank featuring Samsung batteries. With its transparent casing design, the battery inside is clearly visible. The magnetic mode supports charging for iPhone 12 series and above, as well as Apple Watch series. The USB-C port/ USB-C cable supports a PD45W output, meeting the charging needs of devices such as mobile phones and tablets. It is compact and exquisite, and comes with a built-in lanyard design, making it convenient to carry during business trips and travels.

POWER MAGNETIC Q10 Pro V

Magnetic Wireless Charging Power Bank

15W wireless charging | USB - C port/ cable supports 45W
Foldable stand | Support Apple watch series | 10000mAh

POWER MAGNETIC P15C

Magnetic Wireless Charging Power Bank

15W wireless charging | Support Apple watch series
USB - C port/ cable supports 45W | 15000mAh

POWER MAGNETIC Q10 III SE

Magnetic Wireless Charging Power Bank

15W wireless charging | USB-C cable supports 27W
Support Apple watch series | 10000mAh

The Q10 III SE is a 15W magnetic wireless charging power bank. The magnetic mode supports charging for iPhone 12 series and above as well as Apple Watch series. The USB-C port/USB-C cable supports a PD27W output, meeting the charging needs of devices such as mobile phones and tablets. It comes with a foldable stand, allowing the mobile phone to be easily used in both horizontal and vertical orientations. It is compact and portable, making it convenient for charging during business trips and travels.

Mini Charger Q5 SE

Magnetic Wireless Charging Power Bank

15W wireless charging | USB-C supports PD 20W
Support Apple watch series | 5000mAh

POWER MAGNETIC M5

Magnetic Wireless Charging Power Bank

15W Qi2 wireless fast charging | Compact and portable
USB-C supports PD 20W | 5000mAh

Comes with Dual C Cable Power Bank

Cyber Technology Aesthetics | Both cables support PD35W
10000mAh large capacity

WiFi POWER BANK

WiFi POWER BANK WP4

Portable WiFi Power Bank

4GWiFi | 10000mAh | 1A1C output
Comes with USB-C cable

WP4 is a portable WiFi power bank with a SIM card slot. It combines portable WiFi and power bank. It is compact and portable and easily solves the trouble of charging and using Wi-Fi networks outdoors. Intelligent screen display, real-time information is clear at a glance. Compared with other portable WiFi, WP4 has faster network speed, lower latency and can connect multiple devices at the same time. 10000mAh large-capacity battery can quickly charge mobile phones, tablets, computers and other devices. Suitable for use in various scenarios such as parties, travel, and business trips.

WiFi POWER BANK WP5

5G Portable WiFi

5GWiFi | Network Speed 80-300Mb/s
Suitable for Multiple Scenarios

WP5 is a 5G portable WiFi with punk mecha design, high-end and cool. Supports 2.4/5.8Ghz dual-band network and can be switched freely. The network speed can reach 80-300Mb/s, multiple antennas can send and receive signals at the same time, the signal coverage is wider, the penetration is strong, and the low delay is more stable. 5000mAh capacity, worry-free battery life. Thin, light and compact, easy to carry, supports connection to multiple devices. Suitable for rental/office, outdoor camping, parties, travel and other scenarios.

CREATIVE POWER

POWER STATION (P65 Pro)

Multifunctional Desktop Charger

PD65W high-power | 10W wireless charging
2C2A multi port output

P65Pro is a multifunctional desktop charger with 2 USB-A outputs, 2 Type-C ports, and wireless charging output. It can simultaneously charge 5 devices without being messy. One desk charger meets all your charging needs. Can be freely paired with Lego and other building block toys for fun and enjoyment.

STORAGE BOX (P65 D)

65w GaN Power Adapter Socket

GaN Black technology | AC+2A+2C Five port output
USB-C port supports PD65W fast charging

POWER STATION (S02)

35W GaN Power Adapter Socket

Cable 90° adjustable | 2AC+2A+1C five in one

POWER CRYSTAL (P67 D)

Power Strip with LED display

6-port output | AC strip 2500W output
USB-C port PD67W

P67 D is a frosted semi-transparent digital fast-charging power strip that combines AC power strip + charger. The six-port output of GaN 3 (AC) + 3 (USB-C) is more efficient. The AC power strip supports output charging of small household appliances such as TVs and electric fans, and the USB-C port supports PD67W fast charging output to meet the charging needs of computers, tablets, mobile phones and other devices. Low saturation translucent design, internal AC jack and components are vaguely visible. It is fashionable and beautiful, making the desktop tidy and comfortable.

One World Charger (P70)

Universal Power Adapter

Various Conversion Plugs | 4C+1A+AC
PD85W Max Output

P70 is a portable GaN charger that integrates a worldwide converter and a 3C+1A+AC charger. [US/AU/UK/EU] 4 kinds of plugs can be converted at will, suitable for worldwide travel. AC plug supports 2500W Max output, USB-C1/C2/C3/C4 port supports PD70W Max output, USB-A1 port supports PD60W fast charging output, which can fast charge for low power appliances, laptops, tablets, mobile phones and other devices. Compact design, worldwide travel easily.

PD charger+ cable bundle

(P70D+L11CC)

Charging Kit

PD70W Three - port fast charging | Foldable pins

Send a 60W 1.5m C-C cable

P70 D is a 70W three - port gallium nitride charger. It can meet the fast - charging needs of devices such as laptops, tablets, and mobile phones. With foldable pins, it is compact and portable for travel.
