INNOVATIVE SOLUTION

The CX-AC-AOC compression tool is designed with the installers' needs in mind. The simple fact is that nobody wants to carry multiple tools, and with the CX-AC-AOC on the market, they no longer have to.

The CX-AC-AOC All-In-One compression tool is CONEX solution to the problem of multiple tools in the field. The CX-AC-AOC is a uniquely designed compression tool that eliminates the need for installers to carry more than one tool. This tool is truly universal, and works with almost every connector on the market today. Different compression lengths can be selected with the simple push of a button, and a pop out mandrel allows for quick connector style selections.

The pop out mandrel requires no calibration and is permanently affixed to tool body to prevent misplacement.

The AIO's rugged design stands up to even the most abusive environments. The CX-AC-AOC All-In-One tool is truly the one of the most useful evolutions in compression tool technology.
