

Universal Compression Tool XL,
Series 6 & 59 - 21mm, Series 11

CX-AC-UCTX-11

Specification

INNOVATIVE SOLUTION

The CX-AC-UCTX-11 is a One-of-a-Kind compression tool designed with installers' needs in mind.

The CX-AC-UCTX-11 allows users the benefits and ease of a horseshoe style compression tool. During compression, the connector is supported a full 360 degrees for balanced, consistent installations.

Advanced Features .

- Slim design allows users to get extremely close to the connector when cable length is limited
- Works on compression connectors using a 21 mm stroke length, such as the XL-6 and RG11 series
- Compact, durable, pocket design and construction
- Enhanced leverage for easier activation
- Automatically aligns cable
- Flip latch secures connector assembly providing perfect alignment
- Greater durability for longer life
- Locking mechanism allows for convenient storage in any tool bag
- Full 360° compression surface
- U.S. Patent No. 8001679 B2
- Length: 23 x 5.5 cm (9 x 2.2 in)
- Weight: 412 g (0.9 lb)
