

COMPRESSION TOOL

PCT-RH-CT-AS, PCT-RH-CT

Innovation for the Last Mile™

INNOVATIVE SOLUTION

The PCT-RH-CT-AS is a One-of-a-Kind compression tool designed with installers' needs in mind. The PCT-RH-CT-AS allows users the benefits and ease of a horseshoe style compression tool. During compression, the connector is supported a full 360 degrees for balanced, consistent installations.

Advanced Features

- Slim design allows users to get extremely close to the connector when cable length is limited
- Works on TRS 6 & 59 and DRS 11 connector stroke lengths
- Compact, durable, pocket design and construction
- Enhanced leverage for easier activation
- Automatically aligns cable
- Flip latch secures connector assembly providing perfect alignment
- Greater durability for longer life
- Locking mechanism allows for convenient storage in any tool bag
- Full 360° compression surface
